## Extended International Dialing

I, \_\_\_\_\_, agree to be charged by Junction Networks, Inc. for calls beyond the standard calling area. **I understand that I will be charged for calls based on the dialing prefix.** Prices for calls to each available dialing prefix can be found in the Junction Networks User Portal.

The User Portal can be accessed by logging into the secure website at <https://www.jnctn.net> or by selecting “LOGIN” on any page from the website <http://www.junctionnetworks.com> .

I am aware that the prices I will be charged are subject to change at any time and it is my responsibility to review the prices currently in effect and published in the User Portal.

I understand that prices are based solely on dialing prefix. Country names in the price list are provided solely to help in identification.

This authorization will extend until I/we cease our relationship with Junction Networks, Inc.
